Clean Melt

Natural. Green. Clean.

- Friendlier on the Environment -
- Biodegradable - Fast Acting - Composed of Natural Ingredients -

Product Advantages

EACH GRANULE ENCAPSULATED WITH LIQUID ICE BAN

SAFER FOR SIDEWALKS & VEGETATION THAN ROCK SALT

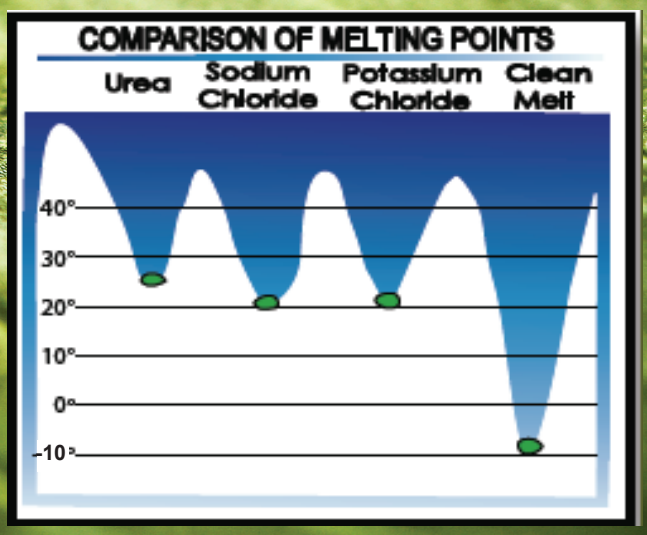
ENHANCED WITH A GREEN COLOR INDICATOR

FEWER APPLICATIONS

MELTS TO -10 DEGREES F

Ice Ban Facts

Ice Ban is an organically based product which was introduced in the 90's to aid in the melting of snow and ice. This second generation patented de-icer has been engineered to address many of the problems associated with various ice melts.



When the effectiveness of many products stop (as seen in the chart above), Clean Melt continues working.
