

Dust Control

ROADMASTER™

LIQUID CALCIUM CHLORIDE

**CONTROLS DUST AND
STABILIZES ROADS**

PRODUCT ADVANTAGES

- ✓ ROADMASTER™ controls dust and provides a safe, smooth surface.
- ✓ Lowers maintenance costs that include time consuming blading, equipment wear and tear and labor up to 46%.
- ✓ Improves visibility and helps promote safe driving conditions.
- ✓ ROADMASTER™ is both hygroscopic (draws moisture from the air) and deliquescent (resists evaporation).
- ✓ Reduces aggregate loss up to 61%.
- ✓ Provides greater air quality.

Where is ROADMASTER™ used?

- ✓ Rural Roads
- ✓ Unpaved Streets
- ✓ Subdivisions
- ✓ Haul Roads
- ✓ Construction Sites
- ✓ Industrial Yards
- ✓ Quarries/Mines
- ✓ Recreational Areas
