

ROAD RUNNER® ICE MELT

Found Exclusively at Lowe's!

ALL THAT'S LEFT IS A SAFE, CLEAN SURFACE

Product Advantages

- Each granule is encapsulated with liquid magnesium chloride for fast-acting, environmentally friendly ice control
- Includes a corrosion inhibitor to reduce damage to metal surfaces
- Safer on concrete and vegetation than rock salt when used correctly
- Ideal for icy situations where additional traction is needed
- Effectively melts ice and snow in temperatures down to **-10° F**
