

METAL RECOVERY SALTS (FLUX)

SCOTWOOD INDUSTRIES, INC

For the past ten years, Scotwood Industries has been supplying the highest quality metal recovery salt flux to our customers. Our aim has been to provide quality products, build lasting partnerships and to provide exceptional customer service. Building on our thirty years of experience as the leading bagged ice melt supplier in North America, we utilize a vast logistical network with terminal locations that are designed to help us meet our customers' delivery needs quickly and efficiently.

In addition, we understand that every customer requires specialized blends. Therefore we are pleased to offer our customers the flexibility of creating personalized blends to meet individual needs. You can count on Scotwood Industries to always strive to exceed expectations.
